

Far North Queensland Inter-Schools Teams Chess Competition 2007

Presented by Gardiner Chess
On behalf of the Chess Association of Queensland

Round 1 – 1st March 2007

Summary of Play

This first round of Queensland's inter-school chess competitions for 2007 set a new attendance record for such tournaments outside the south-east corner, with 113 participants in the primary schools section and 93 participants in the high schools section. Thanks must go to the teachers from each participating school for working so hard at a hectic time of the year to get teams together.

The tournament was played in three divisions:

Primary Schools Open – 6 round Swiss
High Schools Open – 6 round Swiss
High Schools Premier – 5 round Round-Robin

Time controls were used on the top 10 boards for the two Open divisions, at 15 minutes per player with no increments, and on all boards for the Premier, at 25 minutes per player with no increments.
