

Far North Queensland Inter-Schools Teams Chess Competition 2007

Presented by Gardiner Chess
On behalf of the Chess Association of Queensland

Round 2 – Finals – 27th August 2007

Summary of Play

This second round of Queensland's inter-school chess competitions for 2007 set yet another new attendance record for such tournaments outside the south-east corner, with 135 participants in the primary schools open section, 47 participants in the high schools open section, and 62 participants in the combined premier division, for a total of 244. Thanks must go to the teachers from each participating school for working so hard to get teams together and continue the growth that chess has seen in the Far North this year.

The tournament was played in four divisions:

Primary Schools Open – 7 round Swiss
High Schools Open – 7 round Swiss
Primary Schools Premier – 7 round Round-Robin
High Schools Premier – 7 round Round-Robin

Time controls were used on some boards for the Open high schools division and on all boards for the Premier divisions, at 15 minutes per player with no increments. Arbiters for the day's play were Mr Ian Murray and Mr David Cowland-Cooper.
